## **SILVERTON TIME TRIAL**

**by Mountain Goat**

**Saturday 6th April 2013.**

The club's first of two this season Broken Hill to Silverton time trials was held in favourable conditions on Saturday afternoon, 6th April. The first riders went off at 3.00pm then every minute after that. Riders being ranked from fast to fastest going off last.

C Grade/Social Class had 8 riders start and to their credit, all finish the 23 km journey in very good times. Theresa Garbert was quickest of the girls. Special mention must be made on the top effort put in by Sasha Murphy on refusing to let this demanding course get the better of her. Well done. There are plenty who wouldn't go the distance of the three boys in this class. Up and coming gun KTM rider Dean 'Fruit' Winders was fastest. He did ask me to mention his sponsored 'Nick Algate Services'.

Men's B Grade saw 9 riders start. All but one finished. It appeared that Justin 'Lacka Tyre Sealant' Pascoe either didn't have sufficient protection or was very 'tired' and let the tyre down himself. In Justin's defence though he did make mention that unlike his father Stephen 'Pretty Boy' Pascoe. He did actually make the start line. The two fastest in this grade should enjoy their time in it as they have most certainly slipped under the grading assessors guard. Paul Elston and Rod 'Adam' Lambert should have some fine shoot outs to see who takes the overall honours for the 2013 season. It was also good to see Dick 'Rock Hoppa' Walker fight off pre race nerves and demons to nail 'Richards Rock' and successfully complete the course. A special mention also to Darren Orr, who continues to improve with every outing.

Men's A Grade was hotly contested once again with the two top spots on the podium a slight stand out from the rest of the field. New to town rider Matt 'Bigmat' Jones finished 28 seconds in front of Steve 'Sheep Shearer' Chinner. Congratulations Matt and Steve, you hang in there. It appears, that high altitude and hydration guru, George 'G-Train' Adams is relishing his first season in A grade with a smoking hot time. Heppy had some rear wheel malfunction issues, which explains his much slower than usual time. It was also noted that Nick 'Slic' Algate was on this occasion, marginally quicker than his lovely wife Megan. For the broader population of readers, this isn't always the case.

Good to hear that David 'Stiffburbon' Stephenson (uncle of Taylor Walker) is better now after pulling up somewhat fatigued. Unsure if it was the race effort or re-hydration program post race that caused the issue??

In wrapping up, it was a most successful day in the sport that continues to grow not only locally, but nationally and globally.

A very special thanks to Brodee and the back up team who do so much behind the scenes. Our club doesn't function without you guys.

The Club's next event will be held on the Silverton Heritage Trail, Sunday, May 5th. Rego from 9-9.45am.

Race start at 10am.

Course is in a clock-wise direction.
