Race Report by the Maillot Jaune

On Saturday 9th April the Broken Hill Mountain Bike Club held the latest round of their club championship race at the Silverton Heritage Trail. 33 riders contested the event which would see competitors riding the course in reverse (clockwise), this meant that all riders were pushing into the wind along the old railway line and the Women and Senior Men climbing the tricky Mother's Day Hill.

Max Eberlie continues his unbeaten run in the junior boys with younger brother Patrick putting in a strong effort to come second. The junior girls saw Alexis and Kirstie Lenton back on their bikes after they have both been away representing Broken Hill in other sports including swimming and basketball. Both girls put in a fantastic effort with Alexis taking out the top spot.

Steven Corradini and Steven Evans participated in the social category which consisted of two laps of the shorter course. Both riders did really well completing the two laps in under an hour. As their confidence and skill grows these gents will become even faster.

The women's category was led from start to finish by Megan Algate who is really coming to terms with her new Giant Anthem 29er and finding some very good pace. There was a real battle for the minor places with Jo Lenton holding off Shelley Clarke to take second place. Jodi Eberlie experienced some mechanical difficulties coming in forth.

Corey Sammut really put the wind up some of the more senior riders to dominate the Senior B Category. Peter Roberts from Menindee finished second with Barney Stevens rounding out the top 3. Nick Algate and Phil Eberle were also in a close tussle for 4th and 5th places respectively.

Senior A saw Dave Clarke take an early lead to take the win and make it two from two for the 2011 season. Royce Beck and Benny Goodman took out the minor places in the 12 man field.

A special thanks to the race officials and timekeepers for doing another fantastic job. The next race will be at the 9 Mile Rd (opposite the entrance to the Living Desert) on Sunday 29th May at 10am. New riders welcome.
