

## SILVERTON TIMETRIAL

The Broken Hill Mountain Bike Club Inc. held its 23km timetrial to Silverton on Sunday. The morning was cool, with a slight headwind. Thanks to Clarissa McDonald, the club hosted an exhibition event for the 2006 Outback Games.

The Junior event attracted 2 regular lads – Cec Fraser and Jason Limbert. The boys started off the line together, and Jason soon took the lead. Their position swapped, with Cec crossing the line in front with a personal best, and a gold medal! Jason did well, and wasn't far behind, also beating his personal best by over 1 minute, to take the silver. Well done boys.

The ladies braved the cold, and there was no surprise that Bronwyn Lees took the Gold in just over an hour. She gave some of the boys a run for their money, but wasn't shown any courtesy in a sprint to the finish with one of her male riders. Sue put in another fine effort, and took the silver. Jo Lenton is continuing to improve, and completed her first time trial in a very respectable time, taking out a bronze medal for her efforts.

In the Sports Men there were a few battles for positions, with some riders very evenly matched. Joel Ryan took the line honours, as well as the gold. His running skills definitely helped, as he out sprinted fellow riders in the creek! Jason Lyall was back in the saddle after some time off, and took the silver. Most improved from last season, and true legend, Tony Hepburn continues his fine form to take the bronze. It was great to see a tussle for third, with Jason Taylor only 13 seconds behind Tony, and John Collins another 8 seconds behind Jason! Tas Johnston put in a good effort for 6<sup>th</sup> place, and was closely followed by Clyde Thomson, Mark Lenton and Simon Finnis.

The Senior Men only saw 4 competitors. This was going to be a highly contested time trial, with all four hungry off the line. Barry Gentle was the last rider off the start, and was grinning ear to ear to pass Trev Barrie, who was once again plagued by chain trouble. Barry took the gold, and was able to catch every rider, except Joel. Trevor Barrie was not far behind to take the silver. Luke and Brian were in a tussle for the bronze, with Luke just nudging Brian out of a podium place.

Thanks to everyone for supporting the Club. The next Club event is on Sunday 20<sup>th</sup> August at the 9 Mile track. We will be traveling to support the Coomealla-Mildura Mountainless Bike Club event on the 5<sup>th</sup> & 6<sup>th</sup> August. Anyone interested let Shelley or Dave know 0419283745.

<b>JUNIORS</b>	<b>TIME</b>	<b>POINTS</b>
Cec FRASER	1.28.19	100 Gold
Jason LIMBERT	1.39.38	90 Silver

<b>WOMEN</b>	<b>TIME</b>	<b>POINTS</b>
Bron Lees	1.03.26	100 Gold
