

MOUNTAIN BIKES

9 Mile Event 13/09/09

Sunday the Mountain Bike Club held its 9th race for the season at the 9 Mile track, with 22 riders lining up for the start.

Junior girls saw Casey smash the competition in a good time on her hot lap. Both junior boys broke their PB on the track by huge margins, with Luke slicing 6 minutes, and Cory 10 minutes off previous times; and both on new bikes.

The women had a good tussle, with new rider Megan Algate showing she has excellent fitness to ride with the ladies for her first event.

Sport men had good numbers and close racing, with two new riders Dave Parker and Nick Algate putting in strong performances. Tas continued to dominate, holding the field off for the win. Lucky Phil did a super man over the handle bars just to see if any one was looking, and unlikely for him, Cec was witness to the spectacle. Senior men saw a new race record, which Benny Goodman claimed, only to find Royce Beck 20 seconds in front of him at the finish line!

Big thanks goes out to our talented time keepers Dave and Darren, as well as the cheer squad on the sideline.

The next race will be at the Silverton Heritage trial on Sunday 18th October, with an early start- rego from 7.30am race begins at 8am. All abilities welcome, and for any information contact Club Secretary Richard Walker 0409 578 824
