

BROKEN HILL MOUNTAIN BIKE CLUB
Heritage Trail Track
18 October 2009

The early start obviously caught a few riders out; because the event on Sunday had a mere 14 riders take to the start line. Conditions were fine and brisk, with a slight breeze. Junior females had Casey riding by her lonesome on the short course, on a fancy borrowed bike. She completed her solo lap in a very respectable time to take the 100 points. Junior males also had only the one rider, and Corey continued to mix it with the big boys, taking on Cec and Richard to post a very good race time. Ladies had only Shelley to contest the event, and she completed her lonely two laps to take first in her category. A bit of training certainly wouldn't go astray!

Sport Men had some very interesting tussles, with just over five minutes separating the field of 6 riders. Tas led for the first lap, over Les and David, but David has continued to improve with every event, and was able to take the lead and the win. Barney was able to pump out consistent lap times to hold off Richard, who was in a battle with Cec, until Cec had to pull out after the first lap.

Senior Men started with some controversy after a formal complaint was lodged because an un-named rider tried to take advantage of a rolling start. This obviously had a psychological effect on the rest of the field, because the un-named rider was also able to hold off the field and take first place! There wasn't much separating this field and there were no changes in positions throughout the race, with Jason holding on to second, and David securing third. Barry proved he still has what it takes, and was able to hold off Heppy for fourth.

The final event for the year will be a twilight race at the Golf Club track on Saturday 7th of November. Registration is at 5.30pm for a 6pm start. Riders are reminded to park in the dirt car park, (to the left of the main car park), and will not be permitted to drive up behind the Club House.

This event will be followed by the brief AGM and end of year presentations, upstairs in the function rooms. The Club will host dinner and drinks, with members catered for, and family members and friends most welcome for a donation to the Club. Please RSVP to Shelley on 80887050 by Friday 30th October.
