

Broken hill mountain bike club race write up

Sunday the 19th march saw the staging of the 2nd race of the broken hill mountain bike club race series, the race was held at the clubs Wentworth road track.

The riders were greeted with a nice cool breeze in the morning with the temperature rising towards the end of the race, the club welcomes along some new riders to the mountain bike club in Jason lyall and mark lenton. Jason only received his bike last Tuesday for the first time and has taken to mountain bike racing like a duck to water, great riding gents.

Now on to the categories in the juniors this was a hotly contested affair with Ben Camilleri finally coming out on top although the other four young gentlemen not far behind. Leading the charge was Cec Fraser closely followed by Jason limbert, Aiden Johnston and Matt Kemp, great riding gents.

In the women's Bronwyn lees continued her clean sweep from last round this time once again collecting the full 100 points on offer, with Shelley Clarke and Kerry Hiscock hot on her heels but Bronwyn was far too strong, great riding ladies.

In the men's the forming of the sport men and senior men categories has seen some very strong riding and competitiveness come to the surface, firstly the sport men saw Jason lyall just hold out Joel Ryan for the win with Scotty Morris pushing strongly for third place across the line, the senior men saw Dave Clarke only just hold out the ever consistent Trevor Barrie for the win.

A big thank you must go out to the gentlemen from St Johns for their time and the great time keepers and helpers on the day. The clubs next event is the infamous round hill track in reverse on Sunday the 23rd of April with rego starting at 7.30am racing at 8am, for more information phone Shelley 8088 7050 or www.bhmtb.asn.au
