

BROKEN HILL MOUNTAIN BIKE CLUB RACE WRITE UP

Sunday the 20th of May saw the Broken Hill Mountain Bike Club hold their 4th race for the 2007 season, the race was held at the Silverton heritage trail. Many of the riders were using this race as a warm up for the clubs annual poker race weekend held on the queens birthday weekend in June on the same course. With recent rain the track condition had changed slightly bringing a couple of muddy patches and making the sand that little bit boggy. As Taz Johnston found out when he did an endo in the first creek crossing, good effort Taz and thanks laughs.

Due to the terrain of the heritage trail the club has set up a junior track, with Kirstie and Alexis Lenton completing their one lap on it. With Silverton's own legend Cec Fraser competing on the adult track and riding an awesome pace setting a very competitive time with the adults of 25.31 for his one lap.

In the ladies Jo Lenton was the victor just a head of Sue Selden, Jo also went on to complete an optional third lap in readiness for the poker race in a couple of week's time, terrific effort ladies Sport men category saw Randall Burt after a year off racing come though to take the win narrowly edging out the even consistent Tony Hepburn and the fast improving Adrian Stanley, excellent riding guys keep up the rivalry.

The rivalry fight to catch Dave the freak Clarke continues in the senior men, this time it was Joel Ryan, visiting fire fighter Jason Kaul, David Lyle and Barry Gentle leading the chasing group, however once again Clarkey was too strong leaving Jason Kaul and Barry Gentle to round out the minor placings.

A big thank you to the St Johns volunteers for giving up their Sunday morning to be present at our race. Also thank you to members that time kept and helped with the setting up and the packing away of the equipment.

A reminder to all members and anyone interested in the mountain bike club that the poker race weekend is on this June long weekend. Entry forms are available from our website. Also if anyone can spare some time over the weekend to help with marshalling or time keeping, contact details are available from our website. www.bhmtb.asn.au
