

## Broken hill mountain bike club race write up

On Sunday the 21<sup>st</sup> of May the broken hill mountain bike club held their fourth race of the mountain bike series, the race was held at the Silverton heritage trail, the club had some curious on lookers in the form of some people camping outside the Silverton hotel, that woke in amazement to see mountain bikes racing past.

The riders were confronted with quite a cold morning and very strong head breeze in the latter half of the lap which did factor in the lap times a bit; this however didn't dampen the racing spirit of all the riders.

In the juniors Cec Fraser set down a blistering lap to take out the win, with Jason Limbert and Matt Kemp charging at his heels to round out the top three, terrific riding lads. The ladies category saw Bronwyn Lees set a blistering pace around the track and take the full 100 points on offer for the win, with Kerri Hiscock and Sue Selden rounding out the top three. In the sport men category Jason Lyall rode a terrific race storming away with Tony Hepburn in pursuit however Jason was too strong and held off a fast finishing Tony for the win and the 100 points. The senior men category saw the freak Dave Clarke break away from the pack and put down some consistently fast laps for the win, with Barry Gentle not far behind him, and the ever consistent Trevor Barrie rounding out the top three.

A huge thank you must go to St Johns for having their services available and to Tracey Limbert and her daughter Samantha for doing the time keeping.
