## Silverton Time Trial

Saturday June 21<sup>st</sup> 2014

Near perfect conditions were served up for the popular afternoon event, and 15 riders turned up for the 3pm start. Riders were handicapped according to form, with the slower riders heading off first. Everyone stayed upright except for "Fire Magnet" Karlo, who managed to generate some heat of his own and in the process donated some of his DNA to the Old Railway Line Track. Karlo also experienced some navigational issues again but was quick to point out that he was only following the Time Trial Specialist "Endo Elston". Ely claimed he was travelling "Heaps Fast" and didn't see any of the 100+ directional rocks that Nick had hand painted along the track. (Punishment is still to be determined). Benny (Karma got me) Goodman overcame his fear of rocks, after his big "Get off" last month and turned up to the start line. He was obviously still a little apprehensive about his ability to stay on the bike, evident by the fact that he turned up with the old treadlie. I wonder if we'll ever see the carbon fibre rocket again? He finished and didn't need to a vist to the ED, so all good!

In "A" Grade it was no surprise to see Lambsy Chinner fastest yet again. A really top effort considering there were a few Fat White Woolly Distractions along the way (Bahh Ram Ewe!!!!). In 2<sup>nd</sup> Position, and 1<sup>st</sup> time on the podium in the Elite class, was the Flying Kiwi, George G (High Speed) Train Adams. It was obvious he was on a mission before the start and he certainly didn't let the punters down.....Top Effort Bro! Lesley "Alawishus Herayshio" Borchard rounded out the Podium with another top ride and was quick to make mention that some of his old training partners had been holding him back.....Fair enough Les!

Quickest time in "B" Grade (Wot !!!! How is he in that grade) was Endo Elston in a blistering time. In 2<sup>nd</sup> place was "the Navigator" Karlo and rounding out the podium was Megan (racing in a man class) Algate who continues to get quicker each ride, much to the dismay of her husband. Nick took overall line honours but ended up losing the household battle by 33 sec on adjusted time. "BIG BEN" Wright made his Mountain Bike Club debut and showed that all that KOM chasing was having a positive effect. He rode a great race and will cause a few headaches for the more seasoned riders in future races.

In "C" Grade, it was our Great Leader and Hard core Caarrlton Supporter, Craig (Juddy) Olsen who was fastest. Fruit & Veg specialist, Richo, came in 2<sup>nd</sup> followed by Mathematics Guru Michael Reinhardt.

In other news, there were reports of a Rouge Zebra on the course, however it turned out to be Brian Devlin in a Zebra print top. He claims he was the stunt double in the block buster flick "Racing Stripes".

In the Junior Development Race, we had 4 keen riders front up. The kids rode a 2 lap race of a circuit through the streets of Silverton. The rectangular course took in some of the local galleries and landmarks. Oakleigh Olsen & Ryan Borchard Tied for 1<sup>st</sup> place, Finley Adams wasn't far behind in 2<sup>nd</sup> (I think he deserves a lighter bike....Hint Hint). Holly Borchard was 3<sup>rd</sup>. Well done to all.

A big thank you once again to Brodee, Kaylee & Pro Photographer, Emily for your time and effort.
