

BROKEN HILL MOUNTAIN BIKE RACE WRITE UP

Sunday the 21st of October saw the Broken Hill Mountain Bike club hold its monthly race, the track for this month was round hill, a stinking hot day greeted the riders along with strong gusting winds that never really blew to the riders advantage this made the conditions quite trying, however some great times were recorded across all categories. In the junior ladies Kirstie Lenton, Beth Attard and Abi Beck all rode exceptionally well in the trying conditions however the experience of Kirstie just prevailed to take the win with Beth taking out second and Abi rounding out third excellent riding ladies, the junior men saw Jason Limbert edge out Nick Delisio for the win and Cec Fraser having mechanical problems taking out third great ride guys. The ladies category saw Jo Lenton prevail for the win with Renee Walker taking out second position terrific riding ladies. The sport men category welcomes new ride Andrew White to the club we hope you enjoyed the ride. Royce Beck blitzed the field in the trying conditions to not only win the category but to come third in the overall placings for the event great effort Royce, this left the ever consistent Tony Hepburn to take second ahead of Adrian Stanley. In the senior men it was the husband and wife of Joel and Bron Ryan who rode away with first and second respectively leaving Brian Devlin to round third position. A huge thank you to Jason and Jackie Attard for time keeping, the clubs next race is the 18th November at the Silverton heritage trail please note it is also a twilight event rego at 5.30pm racing at 6.00pm .
