

Broken Hill Mountain Bike club race write up

Sunday the 23rd of April saw the Broken Hill Mountain Bike club hold their 3rd race of their series it was the infamous round hill track, also to make matters worst it was in reverse. Some mixed comments came out of the race but all in all it was a great ride by all the competitors.

Starting with the juniors, this was the first time the juniors had ridden the adult course, after a small hiccup of his chain coming off the cog. Young Cec Fraser charged past his competitors to take out the win, with Jason Limbert and Matt Kemp hot on his heels

The ladies category saw Shelley Clarke take out the win and the 100 points on offer, with Kerry Hiscock hot on her heels for second and collecting 90 points for her efforts, in the sport men category Jason Lyall did an excellent job to come straight from night shift and into the race, he once again took out the win in this category, although lucky Phil and Tony Hepburn weren't too far behind to take out second and third respectively, in the senior men once again the freak Dave Clarke broke away up the first climb of the race. This left a good battle for Benny and Trevor to decide the minor placing.

A huge thank you must go to St Johns ambulance service for being present at the event, also to Tracey, Simon, Shelley and Dave for time keeping and set up for the mornings racing.

The clubs next event is the heritage trail at Silverton on the 21st of may although in the normal format in readiness for the clubs annual poker race weekend set down for the June long weekend.
