On Sunday 29<sup>th</sup> May the Broken Hill Mountain Bike Club held its 3rd championship race of the year at the 9 mile track, the first race without club stalwarts Shelley and Dave Clarke after Dave's quick transfer to Bateman's Bay. Chilly conditions kept competitor numbers down with only 16 riders contesting the event in an anti clockwise direction.

The cold morning scared off our junior riders and only Chelsea Dawes (Coomie) braved the cold to take top honours in Junior Girls completing 1 lap.

Megan Algate our lonely Women's rider toyed with the idea of riding in her cosy pink ugg boots but decided against it and has achieved her goal of beating husband Nick around the course and just had to do a 3<sup>rd</sup> lap with him just because she could.

Corey 'junior freak' Sammut has definitely carved his position in Senior B category coming in 1<sup>st</sup> position again with times not far behind senior A times. Phil 'secret training' Dupal came in 2<sup>nd</sup>, visitor Phil Sullivan (Coomie) coming in 3<sup>rd</sup>. Special mention to first year rider 'Yahoo' George improving with every race and enjoying him time riding.

With the departure of Dave Clarke the field was thought to be wide open but Royce Beck has earned himself the new title of 'The Freak' by blowing the field away by a minute and a half. Jason Dawes (Coomie) also gave the local boys a run for their money coming in 2<sup>nd</sup> with David Lyle coming in 3<sup>rd</sup>.

A special thanks to Les, Darren and all others who took time to tend the track, it come up a treat. Race day officials and everyone who pitched in to help on the day made the day run smoothly and the timekeepers did a wonderful job as usual.

Next race will be the Silverton Time Trial (Broken Hill to Silverton) on Sunday 26<sup>th</sup> June. Registration will be at 9:30am, race starts at 10:00am. This event is a 23km race and it is Club policy that no junior under 13 will not be permitted to participate, for safety reasons. All riders must carry enough water and provisions to be self supported. For more information contact Club Secretary Tasman Johnston 80888945 or visit [www.bhmtb.asn.au](http://www.bhmtb.asn.au).
